

Peaceful Warrior Realtor Personal Safety

Self-Defense Workshops for Real Estate Agents

Is Personal Safety A Concern?

Realtors - much of your time is spent alone showing properties to potential customers... most of whom are strangers.

Our consultants frequently hear from those in your industry about the safety concerns that can arise from these situations. We offer specialized training specifically for Realtors.

Peaceful Warrior R.P.S.

Effective. Protective. For your industry.

Realtor Personal Safety (R.P.S.) is a two-hour workshop that teaches the critical principles of “ABC’s” of personal safety as well as simple, proven and highly useful physical techniques for protection.

As seen on...

Attendees Learn To:

- What NOT to do when showing a property;
- Host a safe Open House;
- Maintain personal space;
- Identify and avoid confrontational situations;
- Utilize techniques that have been “pressure tested” for effectiveness;
- Use everyday items as weapons!
